

## Hythe Aqua Girls Achieve Success at Leeds Castle Aquathlon

Four members of Hythe Aqua Swimming Club competed at the Junior Leeds Castle Aquathlon recently. The race, in its second year, produced some fantastic swimming and running by club members. Emily Chambers comfortably winning her 13/14 Year female category after a great swim in a rather muddy moat, fast transition and run in the castle grounds. In the 11/12 Year female category Eleanor Priestley and Eleanor Fox put in fine performances finishing 4<sup>th</sup> and 6<sup>th</sup> respectively. Youngest of the four girls Amelia Priestley swam an excellent course leading the boys and girls out of the moat, but slipped back to 2<sup>nd</sup> place in the 9/10 Year female category after the transition and run. All four train and compete regularly with Hythe Aqua which caters for learners in their 'Learn to Swim' programme and competitive swimming at Squad Level.
