

## Natalie Wyborn stormed to victory in the recent Hythe Round the Town run

Natalie Wyborn

Hythe Aqua swimmer Natalie Wyborn stormed to victory in the recent Hythe Round the Town run secondary school competition. The course was more like a cross-country one after the normal route had to be changed due to the gas works in the High Street and it obviously suited Natalie as she worked her way to the front of the field. Once at the front she finished strongly to secure her second win since moving up to the age group. Maybe next year the hat-trick.
