

A big thank you to all those who swam tonight and produced some very strong performances and 29 PB's. We were short in some age groups due to swimmers not being available and one swimmer who pulled out on the night meaning those present had to do quite a lot of races. Thank you to Herbie and William for covering those extra race as well as their own.

We had quite a few first places most of which were down to the brother and sister duo of Finn and Evie with other firsts coming from Leon, Phoebe and Trsitian.

However everyone tried their hardest and it was a real team effort with everyone supporting each other.. We narrowly missed 3rd place finishing 4th.

Thank you to the poolside team of Ian Goldsmith. Tracey Baigent, Gavin Wood, Julie Calvo and Diane Yemm for all their help and organisation and to the parents who sat , watched and cheered as well as sweltered. It was extremely hot in there tonight!!
