

## IMPORTANT MESSAGE TO ALL CLUB MEMBERS PAST & PRESENT

### **YOUR SUPPORT IS REQUIRED**

### **A New Pool for Hythe!!!!!!!**

A planning application has been submitted to Shepway District Council for the development of Princes Parade in Hythe. Details of the application are included by following the link below. All Club Members know that Hythe Pool has a limited lifespan and a new pool is desperately needed.

Over the last 15 years a number of sites have been considered and dismissed for various reasons and we are now at the end of the journey. If the vocal objectors manage to stop this proposal we believe Hythe Pool will close when another major maintenance issue arises and our community club in its current form will cease to exist. I would urge all members, their families and friends to take the time to support this proposal by following the link below, then the next link from that page directly to the planning application portal. There is no need to write an essay just express your support!!!! You can also write directly to the SDC Planning Dept. quoting ref: Y17/1042/SH

It would be great if you could encourage younger members to express their support as they will ultimately be the longer-term users of this new facility. Visit [www.princesparade.co.uk](http://www.princesparade.co.uk)

### **PLEASE TAKE THE TIME TO EXPRESS YOUR SUPPORT**

You can also "LIKE" the Facebook Page but most importantly you should comment on the Planning System via the link.

Proposed design of New Leisure Centre
