

H Y T H E AQUA

As some of you will already know, last weekend saw the beginning of the **Hythe Festival of Arts and Heritage**, where a small group of club volunteers set up and ran a stall on The Green, to promote **Hythe Aqua Swimming Club**. It was a hugely successful (and hot!) weekend which saw us raise around **£230** with our Tombola and Pick a Fish games. **Thank you** to those of you who contributed goodies for those games.

And, more importantly than the cash, we reminded everybody what a FANTASTIC club we are!!

We **signed up over 30 children** wanting to learn/improve their swimming, and we had **numerous enquiries** from adults wanting to get back into swimming.

Thanks to everybody involved in the months of preparation leading up to the festival, and to everybody who helped on the stall, or pitched in to fetch, carry or lend, it was a **FANTASTIC** weekend!!

In the photos above, see if you can spot the Fishy Special Guest who caught the attention of the children at the Festival.....
