

More Triathlon Success for Emily Chambers

June 2018

Emily has just returned from Leeds where she was racing in the Age Group British Triathlon Championships over Standard (Olympic) Distance. This was held as part of the WTS Triathlon Series event and was run in the morning over essentially the same course as the elite athletes. There was a large crowd of supporters at the Park and in Leeds city centre who had come to see the Olympic Athletes in action later in the day.

The race was 1500m open water swim at Roundhay Park, 40K closed road bike course around Leeds and a 10K run finishing in Leeds City Centre.

Emily won her age category (under 20yrs) in 2:23:17 and is awarded the official 2018 British Triathlon Champion in this category!

She finished 16th overall.

It was a very tough course, and a hard race.
Well done Emily!!!!
