

Hythe Masters are East Kent Champions

The East Invicta (East Kent) annual Masters swimming championships were held at the Kings School Recreation centre in Canterbury last weekend. Hythe Aqua Masters took the Top Team Trophy ahead of rivals Canterbury and Thanet. Six Masters Clubs from across East Kent participated in the championships with excellent competition across the age groups.

Hythe Aqua had swimmers competing from 30yrs to 80+yrs as Masters swimming is for all age groups. The Hythe Aqua Team only had 14 swimmers who were able to compete due to sickness and holidays over the Easter period. However, the Hythe swimmers swam really well winning 34 Gold medals with other swimmers taking silver and bronze.

Top performers were Helen Oaks winning 6 Golds, Donna Wickens winning 6 Golds, Maureen Fakley winning 5 Golds, Becky Maycock winning 2 Golds, Barry Belcher winning 1 Gold, Martin Newland winning 4 Golds, John Turner winning 2 Golds, & David Staveley winning 2 Golds. All the Hythe swimmers won points for their club with top 3 places which resulted in the Club taking the Top Team trophy.

Hythe Aqua Masters train on Wednesdays and Fridays at Hythe Pool at 9.00pm and 8.00pm respectively. If you want to train under the direction of our Club Coaches come along and give us a try – the first session is free.
