

## Hythe Synchro – Combo Cup Success

Following on from the recent excellent Kent Championship results Hythe Synchro were in action again competing at the Combo Cup yesterday at the London Aquatics Centre.

A very long day for some, and an early start for the Feathers Team!

For The 15&U Division 1 Feathers Team this was their first experience of a National Level event, and they swam brilliantly to achieve 9th place in a tough age group of 20 entries.

The 13-18 Division 2 Tribal Warriors Team had an excellent swim, with improved patterns and figures from Kent's a few weeks ago, and achieved 12th out of 18 in a very challenging age group.

For some swimmers, it was their final event before they wave farewell and move onto pastures new - and we wish them all the best in their future careers and activities.

A big thank you must go to Phil Moo and Alison Cameron for giving up their day to judge with me, and to Ellie Sturgess and Kevin Sturgess for their excellent Team Management Skills throughout the day. Swimmers - don't forget our fun session today - to celebrate your recent successes!
