

Hythe Aqua Swim School – New Teachers Join the Swim School

More qualified volunteer swim teachers join the Hythe Aqua Swim School Team. Congratulations to Barbara and Aude who recently completed their Institute of Swimming Swim Teaching qualification.

Hythe Aqua Swim School has a number of highly qualified and experienced volunteer swim teachers, who have taught for Hythe Aqua for many years. If you would like to volunteer as a Swim Teacher, with the Hythe Aqua Swimschool please get in touch, we always welcome new teachers.

As a community club, we offer over 100 Swim School places each week and have had great success not only improving the life skills of local children, but also producing competitive swimmers, water polo players and synchro stars who compete for the Club.
