

Kent Water Polo Festival

What a great afternoon of water polo with Hythe winning the U/16 trophy against Beckenham in a penalty shoot out. We held our nerve and won 3-1(England footballers eat your hearts out!!!) , the U/14's were 2nd and the mini polo also came 2nd so another great set of results for Hythe Aqua.

It was a real team effort with everyone playing well for Hythe and players even offering to play for other clubs who were short of players. Thank you to Jim Burch, Helen Oakes and Matt McAlister for coaching our teams and getting equipment over to the pool. Also to Tristan and James for taking time out to come along and coach the U/16 team and Rico, Harris, Harry and Matthew for helping with scoring for the mini-polo.

Well Done
