

Ron Crowder Memorial Gala

Hythe Aqua Swim Squad had a fantastic night of swimming last night, despite being a few swimmers short. There was a great team spirit and all the swimmers in the squad volunteered to pick up the extra races.

The majority of the swimmers swam more than 10 events, which goes to show the commitment they have for the club.

A lot of the Hythe squad were competing in races against swimmers that were two years older than them. Despite being a few swimmers short, the team pulled together and put all their effort into their individual races and relay races, even making sure they had time to support and cheer each other on during the races. Overall Hythe Aqua Swim team came 5th out of 6 teams and the Team Managers ensured that no race was left without a swimmer.

Well done to the team which included- Rosie Aireton-Brown, Millie Roche, Megan Hadaway, Katie Oliver, Izzy Goldsmith, Thomas Gower, Taylor Russell, Thomas Lambert, Max Eyers, Adam Fox, Cailan Williams, Jacob Hadaway, McKenzie Lambert, Buddy Wiseman, Ben Mills and Samuel Thorpe.

Also a big thank you to all the parents for your support, and all the parents who helped poolside.
