

HYTHER AQUA WATER POLO LONDON LEAGUE BOYS U/19

Hythe Aqua's first match against West London Penguins was never going to be an easy game, last years under 17's National Age Group Winners with an array of England Talent within their squad. Hythe came under pressure immediately to find ourselves 4-0 down at the end of 1st quarter. Penguin pushed us back into our own half for most of the match, sitting too deep into our own half of the pool we never had many real chances on goal but opportunities were taken on a few occasions by Toby scoring our two goals. We had some really good play in defence and attack but too often just couldn't find the final ball. Hythe kept their heads held high in a spirited game where they all put in a determined performance.

FINAL SCORE: West London Penguins 17 - 2 Hythe

Next up was Beckenham, a much more even game. Despite going behind early on we gave them a hard game. Some excellent defending and much more ball play by Hythe gave us more opportunities to score. Once more Hythe were not getting far enough up the pool to take real chances of scoring but we did find the net on 3 occasions by Toby converting another two goals and Rico with one.

Some really good play from some of our more experienced players whilst the younger squad members gained lots of experience. A special mention for Harris who was outstanding all evening!
A gritty performance from our squad all round.

FINAL SCORE: Beckenham 7 - 3 Hythe
