

As all Club Members are aware our area has been put into Tier 3 of the Covid restrictions after lock down ends this week. One of the restrictions associated with Tier 3, is that the Club cannot offer organised training for those of 18yrs+ and therefore Masters will not be restarting until our area is back in Tier 2.

I know this is very disappointing particularly for the many members of the Masters section and we hope to be able to restart as soon as possible. The good news is that our Hythe Aqua Swim School, Swim Squads, Synchro and Junior Water Polo can restart from Thursday 3rd December, for all club members under 18yrs of age.

We must continue our vigilant approach to Covid with hand sanitising on entry to the pool, maintaining social distancing during poolside changing, not sharing equipment and not mixing with other club groups whilst entering or leaving the poolside.

A big thank you to all our volunteer teachers and coaches who have offered to return to training so that our Club sessions can restart again.
