

Hythe Aqua Swimschool Update New Joiners April to July 2021

We have received a lot of interest over the last few weeks regarding joining our Hythe Aqua Club Swimschool. The Swimschool returns on Tuesday 20th April for length swimmers and on Thursday 22nd April for Width swimmers.

When we return we will still be operating under Covid restrictions with no spectators, participants arriving swim ready and with no access to changing rooms or showers. We have also introduced a Covid secure method of working regarding the operation of the Swimschool, which is very different to the normal arrangements. Once we return we will be able to start reviewing the returning attendance and start to identify what spaces we have in our Groups going forward. This will take a couple of weeks for attendance to settle down to a routine.

Therefore, we are asking those interested in joining Hythe Aqua Club Swimschool to complete a waiting list form providing as much detail as possible regarding swimming ability or swim level reached. As a community based club we will endeavour to accommodate as many children as we can, but this is dependent upon space being available in a suitable Teaching Group as our numbers are restricted by the current Covid protocols.

If your child is a non-swimmer and is wanting a starting place in the learner pool as a novice please complete the alternative form.

We will accommodate children based on their suitability for a Swim Group that has spare space and on the length of time on the waiting list.

Many thanks
Hythe Aqua Club Swimschool
