

## The Swim England Masters National Championships

The Swim England Masters National Championships (25m) 2021 were held on 29 – 31 October at Ponds Forge International Sports Centre, Sheffield.

Competition is always fierce for medals in every age group at these Championships, with multiple British, European and World records broken each year. It's not all about winning though, it's also a great event to work towards if you're new to Masters swimming or returning to the sport.

Representing Hythe Aqua SC was Graham Ling who returned excellent results in his age group with 3rd in the 100m Free & 200m Back and 4th in the 50m Free & 50m Back. Well done Graham. Hythe Masters trains on a Tuesday & Thursday at Hythe Pool at 9.00pm under the direction of our excellent Club Coach Tim Wiseman.
