

Faversham Summer Gala – 23rd July 2022

Well done to the Hythe Aqua competitive swimming team that competed at the Faversham Gala last weekend. Faversham SC hosted an excellent event in their great open air pool on a sunny evening. The Hythe team included a large proportion of swimmers that were competing for the first time as many of the Hythe Aqua swimming squad had already departed on their summer holidays. They did the club proud! Lots of excellent swims, with no disqualifications.

Hayley the Team Manager said well done to all of our club swimmers who swam well, supported each other and enjoyed the opportunity to compete in an outdoor event. It was great to see everyone displaying team spirit and values and we were all thrilled with our result. It was a pleasure to take the team who all demonstrated superb behaviour and manners throughout. Well done!
