The competition will be a tough with regional teams from Wales, North West, North East and Ireland, Midlands, London, Scotland Eastern England and South West

All the players train regularly at Hythe Aqua and are valuable team members of the Hythe teams in the London League competition and Kent County tournaments. This is a fantastic achievement and the club wish them good luck in the competition. Hythe Aqua are proud to see so many Hythe Junior players selected at this level and hope they can emulate the success of previous Hythe Juniors who have gone on to play at Junior International levels

Hythe Aqua Junior Polo section trains every Sunday night at Hythe Swimming Pool 6.30-7.30. Come along and watch or join us in the water. For further details visit www.hytheaqua.org.uk
