

South East Water Polo Girls Win National Bronze Swim England Inter Regional Under 14 (Y2004 and younger) Championships 2017 - Walsall Gala Baths

December 1st & 2nd

Lucy-Mai Helliwell from Hythe Aqua SC captained the South-East water polo girls to a second great medal winning performance in 2017, having also bronzed at Blackpool with the Under 18s in January. The S E Team has a great deal of depth and talent, the addition of a specialist keeper and another driver in the year raised the team to a level where it competes at a national level. This is the first time that SE Region have won medals in two different age groups in a single competition year

2. Match Reports

Saturday

South East 5 North West 8

A hard start to the competition, playing the team that would eventually take Gold.

Until near the end of the 3rd Quarter we were in the lead, winning 6-4.

Unfortunately a goal was deducted which was a blow to the team morale and saw the NW win. Overall a fantastic start against a well organised team.

South East 13 East 2

South East dominated this game from the start, with the majority of the team scoring at some point during the game.

South East 12 Midlands 4

Everyone went into this match with a determination to win and secure a place in the semi-finals and finished the day on a high having secured a semi-final place.

South East 4 North East 10

This was a tough match. Despite losing, this was a well fought game, producing excellent match play from all involved. Maddie made an impressive penalty save from the top scoring player in the tournament.

South East 16 London 5

Everyone entered this game with a determination to win and take home a medal. South East were well organised and produced excellent play despite it being the end of a long weekend. The girls achieved the result that they thoroughly deserved.

Lucy-Mai Helliwell (Hythe Aqua) was voted our Most Valuable Player by the other teams. Pictured front row, centre.
