Hythe Aqua Water Polo Players Join South East Region Water Polo Team at the Boys Under 14 Inter-Regional Championships

Twelve months ago, the South East Region was unable to enter a team into this event, because across the Region we did not have the number of boys playing Water Polo to be able to select a team. Since that time, with much hard work at Club Level and determination from the players, together with regular extra weekend training sessions at Worthing, the S E Region have been able to form a team. Water Polo teams comprise 7 players; The Hythe Aqua Swimming Club was well represented in the S E Region Team team by four boys – William Cavanagh, James Croud, Tom Broadbridge and Leon Santer, all Year 9 boys. Despite very tough opposition from 7 other teams across England, plus a team from Scotland and Wales, the S.E. team performed superbly, gaining heaps of experience and confidence. We will build on this in the months to come, and very much look forward to the next competition.
