

Well Done to our Artistic Swimming Hythe Aqua Head Coach Erica Moo

Well Done to our Artistic Swimming Hythe Aqua Head Coach Erica Moo who has successfully passed her FINA Judges exam for another year. Erica started her journey to be a top official when she took her basic judges course (now called Level 1) in 2007, when she was at University. She then took her Level 2 around 2009, and then qualified as a Level 3 (National judge) through Reading Royals (where she was working whilst travelling back to coach Hythe most weekends!). This enabled Erica to judge National level events, such as National Age Groups and National Championships.

Erica took her Referee course in 2014, and has been overseeing Synchro Grade Days and several National events since then. In 2017 Erica was put forward by the SE region to become a Fina G judge, and travelled to Rome for the 4 day course and exam – which she passed in February 2018.

That year she then travelled to Croatia with the England Youth Squad to judge, and in 2019 was asked to judge at the European Junior Championships in Prague. In September 2021 she was lucky enough to travel with the GB youth squad to Croatia for the European Youth Championships & Comen Cup.

Well done Erica
