

Hythe Aqua Success at Artistic Swimming National Age Groups, held in Gloucester

Hythe Aqua had one swimmer competing in the 13-15 age group, Eleanor Cameron-Brookbank.

Eleanor achieved a fantastic 14th place out of 92 swimmers, and qualified in 13th place to be pre-swimmer for the 13-15 Free Solo event - meaning she was able to swim her solo for the judges and receive a score, although her score was not counted in the top 12 Final.

Her score of 57.900 for her Great Gatsby themed routine was an excellent warm up for the National Championships this coming weekend, where Eleanor will be competing in the Free Solo event in Nottingham. Good luck to Eleanor this weekend. Well done Eleanor
