

Hythe Aqua Swimming Awards Night

Many thanks to everyone that supported the Hythe Aqua Swimming Awards Night last Friday at Hythe Cricket Club, it was certainly a packed house – bursting at the seams. Special thank you to all the helpers on the buffet table, selling raffle tickets, helping clear up, presenting awards etc, etc - all very much appreciated. The raffle was a great success because we had lots of excellent prizes donated and raised enough money to cover a large proportion of the venue/medal/ entertainment costs etc. Also, a big thankyou to Hythe Cricket Club who allowed the Club to use their premises.

Hope everyone enjoyed the African Drumming with Richard from rich-rhythms. We have had lots of fantastic feedback on this team building event from many of those attending. <https://www.rich-rhythms.co.uk/> It was certainly a great sound with 50 drums being played at the same time.

Our face painter "Summer" summer@summer faces was back due to popular demand and was busy all night producing some great artwork.

The Hythe Aqua Swimming Awards Night recognised the excellent swimming from the recent club championships, where over 140 new personal bests were recorded. We had almost 40 members of the hythe Aqua Swim school participating in the championships with most swimming in their first competitive swimming race. All were presented with a merit award. Special awards were also made to some members of the squads for their commitment and attendance to training and for their performances at the recent East Invicta (Kent) Championships.
