

British Masters Swimming Championships 2024 – Swansea

Well done to the Hythe Masters Team at the British Masters Swimming Championships.

Our Medley Relay Team won Gold with excellent swims - well done Greg, Paul John & Stuart. Graham Ling took home individual silver medals in the 100m Free & 100m Back. John swam in the 100m Breast and 50m Breast individual races and recorded excellent 8th places in both. Amazing swimming from the Hythe Aqua Masters Section at this high level event.
