

## White Cliffs Open Gala 2025

Saturday 27th September & Sunday 28th September Dover District Leisure Centre

Hythe Aqua competitive swimmers attended the Whitecliffs Open last weekend and had some excellent results with medals, lots of personal best times and East Invicta qualifying times recorded.

Everyone swam really well and the club is grateful to our volunteer coaches/team managers and officials that gave up their time to support the team over the weekend. Hythe currently has 5 hours of training available each week with a further two hours available for older swimmers.

Over the forthcoming months we hope to increase the training time available to enable our swimmers to improve even further.
